

Kindergarten

“Receive the children in reverence,
educate them in love, and send
them forth in freedom”

Rudolf Steiner

Our aim is to create an enjoyable stimulating environment, where education is professionally planned and delivered. We provide a safe, spiritual and caring environment to develop personality, confidence and nurture the skills of each and every child.

Working in close partnership with parents and guardians, we aim to impart the best quality learning through our curriculum as well as our core values.

Jaffery Kindergarten is whole-heartedly devoted towards NURTURING holistic lifestyle values through;

- The growth of the individual through independent learning.
- Nurturing passionate and empowering role models in our faculty.
- Inclusiveness and a sense of belonging for all.
- A vision of peace and social change through education.
- Holistic Education of each child
- A balanced curriculum including Curricular and Co-Curricular activities.
- Continuous Professional Development through Kenya Headmistress Association (KHA)
- Provision of a conducive Learning environment with facilities like:
 - > A dedicated play area with an International level Play Park.
 - > Well Equipped ICT laboratory.

Learning is enriched through art, physical education, excursions, Spiritual upliftment, Life skills, Community Service and much more. Our beautiful, safe and secure campus is specifically designed to meet the development needs of your child as well as offer an outdoor environment for exploration and study.
